All users must comply with YouTube's Terms of Use and Nestlé's Rules for all Nestlé Singapore's YouTube pages. We encourage our fans to keep the dialogue clean, friendly and relevant to the brand. To create a great page, and encourage a productive conversation we have put in place a few simple rules.

1. Keep it clean: no indecent or otherwise inappropriate posts.
2. Play fair: no libelous, defamatory, bullying, harassing, threatening or abusive posts.
3. No personal attacks, please: don't attack people with extreme language or personal attacks. It stops conversation and can hurt people.
4. Stay on topic: no spam, good luck/chain posts, commercial/promotional posts, nor repeated postings of unconstructive, inflammatory or otherwise objectionable comments/statements.
5. Be original: share video content, links, photographs, and text if you have rights to it; if you don't own it or have permission, don't post it.
6. Be mindful of people's privacy: don't invade other's privacy or publicity rights; and don't give out your personal information.
7. Keep it true and legal: no misleading or deceptive posts; no unlawful purpose or activity posts.
8. Introduce yourself: if you are affiliated with Nestlé (employee, agency, incentivized blogger/brand ambassador, etc.), be sure to let everyone know. Your posts should reflect this affiliation.

We reserve the right to review all comments and remove any that are inappropriate, offensive, or do not relate to subjects covered on our pages.
