## MILO LESS SUGAR Ready-To-Drink 200ml Product Exchange for batch code 21489536BB

We have recently received some consumer feedback on taste deviations for a **specific batch of MILO LESS SUGAR Ready-To-Drink 200ml product**, with batch code **21489536BB**. No other MILO Ready-To-Drink product is impacted by this exchange.

As we value your experience with MILO, consumers who may have purchased this batch should not consume it and are requested to follow the subsequent simple steps:

1. To identify the affected batch code accurately, please refer to the top of the pack and ensure all the numbers and letters match with the reference picture below:

Batch code: 21489536BB

2. Contact Nestlé Consumer Services at 800 6011 633 or [consumer.services\\_sg@care.nestle.com](mailto:consumer.services_sg@care.nestle.com) for assistance.
